

Windsor

 3 Bedroom

 2 Bathroom

 1 Garage

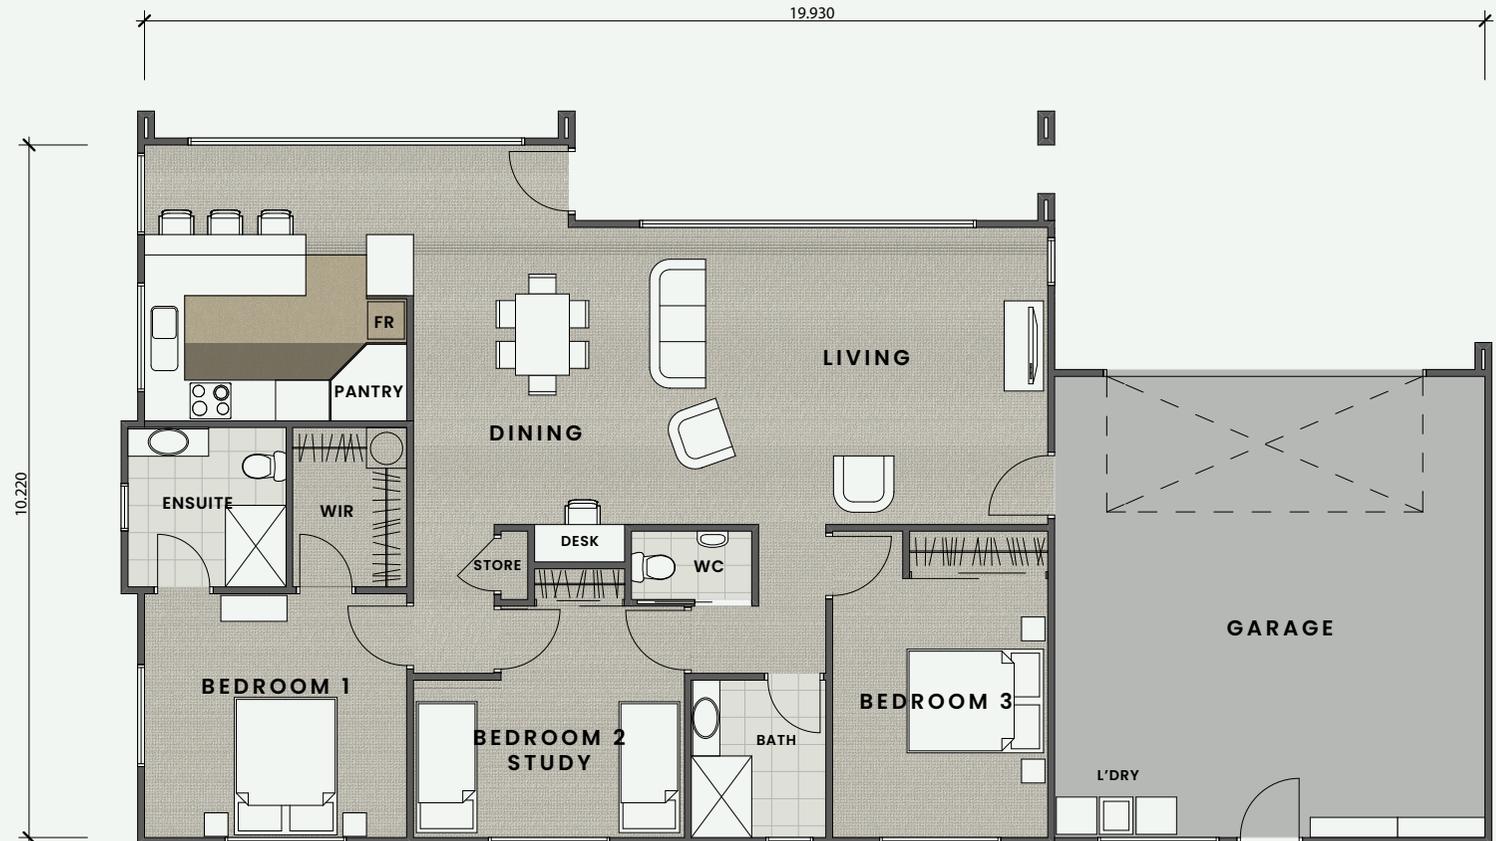

CHATSFORD

The Lifestyle Choice

The Windsor can also be found in our Salisbury Place development. These contemporary three bedroom homes are the largest available within Chatsford. Like the Euston design, the Windsor is pre-wired for current audio-visual equipment and has the latest in insulation and heating technology for maximum efficiency. Open plan living dining areas offer flexibility and convenience. The kitchen includes all modern appliances and the large main bedroom has an en-suite and walk in wardrobe.

Again, you have internal access to your single or double garage.

Size: 136 sqm

Individual units may vary in layout. Dimensions indicated may vary in specific homes
